

Please do not make any changes in the FM stations that would eliminate "K-LOVE" from broadcasting in the Hampton Roads area. This station is the only one of its kind in the area and is a source of help and inspiration to thousands here and the programming is not only greatly appreciated but also seriously needed. I understand that the FCC is considering replacing stations using FM translators with a new broadcast service called Low Power FM (LPFM). I do not want "K-LOVE" to be displaced by an LPFM broadcaster providing other programming.
